

Rules For Reading Scripture

#1 John 8:24, John 8:58 Where you begin. Jesus IS God. Always IS God. Never is NOT God. He is Omniscient, Omnipotent & Omnipresent. He is ALWAYS just, good and has NO sin or fear (which is sin) ever in Him.

#2 When God/Christ asks a question it is never for Himself. He knows the answer (see rule one). The question is not for Him but for us, He is teaching.

#3 When God/Christ weeps it is not for Himself. It is for the lost/Israel.

#4 When God/Christ intervenes something extraordinary has occurred. A great truth has been protected. A great sin has been committed. Or a combination of both.

#5 The purpose of Israel and the Law is to teach of Christ, in Portraits, Types, Shadows and Doctrine.
