An aerial photograph of a tropical coastline. The left side of the image shows clear, turquoise water with visible coral reefs. A narrow, light-colored sandy beach curves along the shoreline. To the right of the beach is a dense, lush green forest that covers the land. In the bottom right corner, a small cluster of buildings with reddish-brown roofs is visible, partially obscured by the trees.

He came to his own, and his
own people did not receive
him. 12 But to all who did
receive him, who believed in
his name, he gave the right to
become children of God, 13
who were born, not of blood
nor of the will of the flesh nor
of the will of man, but of God.
John 1:11–13
