

## Six Truths

1. Whoever you offer yourself to, you become a slave to.
2. The two options are sin or obedience
3. Sin really does destroy you and leads to death
4. God is not ripping you off but rather, wants you to experience the deepest joy and fulfillment
5. True freedom comes from an obedience from the heart
6. The obedience of the heart takes time as our salvation works its way out in us.
