

# GROUP STUDY GUIDE

WEEK OF MAY 14, 2023 | MOTHER'S DAY

## WARM-UP QUESTION

What was a high moment that happened since the last time we met? What was a low moment?

## DISCUSS

- Start your discussion by sharing what stood out to you from Sunday's interview with Tara Homan. Were there any new insights or key takeaways for you?

After Jeff's ALS diagnosis, the Homan family made the decision that they wanted to live well, suffer well, and finish well. Read through these scriptures related to these three ideas.

Live well: [Hebrews 12:1-2; 12-16](#)

Suffer well: [2 Corinthians 12:9-10](#)

Finish well: [2 Timothy 4:6-8](#)

- What words, phrases, or themes do you see in each text?
- What about each text challenges you? What encourages you?
- Where do you see the character of God in each text?
- How does all of this connect to your personal life? What would it look like to live this scripture out? (Share examples if applicable.)

Which of the three ideas is the most challenging for you in this season of your life?

Tara shared that her perspective on eternity has shifted. Take some time to answer this question: how often do you think about eternity?

- What scriptures come to mind when you think about eternity? (Not sure where to start? Check out [2 Corinthians 4:16-18](#) or [Philippians 3:20-21](#))
- What do these scriptures teach us about God? What do they teach us about God's relationship with us?
- How would your day-to-day life change if you lived with an eternal perspective? How would your relationships change?

## RESPOND

- Based on what you just discussed, what do you think God is prompting you to do in response? When will you do it?
- Pray together as a group for the specific goals or areas of struggle that came up in your discussion. Thank God for revealing more of who He is, and ask Him to help you apply what He's prompting you to do this week.
