## SERMON STUDY

Have some of your group members read these verses aloud with the group before you begin. Your conversation will focus on these passages : 2 Corinthians 5:14-21, Philippians 1:6

Dive deeper into this week's message and passage from the Bible. Here are some questions to help guide your group discussion.

1. You're not who you will be, and you're not who you used to be. Do you have an old story you've been telling yourself about who you are that's based on your past? What experiences, sins, or old habits do you need to let go of so that you can become the person God is calling you to be?
2. Our identity informs our practices and shapes our actions. If you feel stuck, you're probably doing better than you think! How have your practices and actions changed over time? What practices, habits, and actions look different for you today than they did before you were following Jesus?
3. It's okay to not be okay and to admit that you're weak. In fact, it's one of the markers of a follower of Jesus: we don't have it all figured out and we're always growing. What places do you feel weak right now? Where do you need God's help? How can this group help keep you accountable or support you in an area you're currently struggling?

## QUESTION FOR REFLECTION

What is God saying to you through his word?

What are you going to do about it?
