

# GROUP STUDY GUIDE

WEEK OF APRIL 30, 2023 | CUMULATIVE EFFECT

## WARM-UP QUESTION

What was your first job? What did you enjoy about it?

## DISCUSS

- Start your discussion by sharing what stood out to you from Sunday's message. Were there any new insights or key takeaways for you?

Read Genesis 1:26-28

- What did God do in this text? Then, what did God command His people to do?
- What does this text show us about God's relationship with His creation? What does that show us about His character?
- How would your life change if you lived like you truly believed you were made in the image of God?
- How do you see God's purpose in your life and in the work that God gives you? If it's difficult to see, take a moment as a group either together or individually to pause and pray that God would show you His purpose in your current roles in life.

Read Genesis 2:4-8, 15

- List out everything God does in this text.
- What is the role He gives man? Why does this role matter?
- How does all of this connect to your personal life? In what context? (Share examples if applicable.)

Read Colossians 3:23

- What words or phrases stand out to you?
- What about this text is hard to live out?
- What would change about your work place and your relationships if you fully lived this verse out this week?

## RESPOND

- Based on what you just discussed, what do you think God is prompting you to do in response? When will you do it?
- Pray together as a group for the specific goals or areas of struggle that came up in your discussion. Thank God for revealing more of who He is, and ask Him to help you apply what He's prompting you to do this week.
