

Know Your Place
Matthew #109
Matthew 16:21-23

On the timeline of Jesus life, we have about 12 months or so until His death.

The word “*rebuke*” means to reprove or censure, describing someone who tries to prevent an action from happening and uses physical restraint to do so.

Peter had forgotten his place and had faced off with His Lord.

In the LXX “*hindrance*” frequently refers to a trap.

Peter’s rebuke is based on a human perspective rather than a divine perspective.

Isaiah 53:10-11

What is your perspective? What is your motivation?
It’s important to know your place, God is central not you.
