

# What Will I Add Up To?

*Luke 12:13-21 / Lk 16:1-15*

Calculating the permanent output of my life takes new (Kingdom) math. Jesus gives us two story problems:

**When My Work Heats Up...** (Dan 3:16-23)  
*How were these three God-followers tested?*

**S\_\_\_\_\_Y: My Bigger Barn** (Lk 12:13-21)

**SI\_\_\_\_\_E: My Shrewd-omter** (Lk 16:1-8)

Dan 3:24 – 30
