

HOPE Beneath the Armor - Namaan

2 Kings 5 / Ps 25:4-7

Only God sees all that's beneath my armor. We all have a front stage life vs back stage life, and struggles we try to mask with strength. Where do I go for hope when I can't change myself?

**I will never change if I project public
_____th yet hide private _____ (1)**

**I awaken _____-hope when I believe that
God is acting to _____ me (2-8)**

People change when they.... *(J. Maxwell)*
Hurt so much they need to
Learn so much they want to
Receive so much they are able to

**I detour & _____ change when I cling to my
terms rather than God's (9-12)**

**I will butterfly change when I take off the
armor and am washed by G_____ (13-14)**
