

The Greatness of God's Goodness

Psalm 107:1-9

'What comes into our minds when we think about God is the most important thing about us.' AW Tozer

God is not generic! He has Titles, speaks in gripping ways, shows more life & color than a maple hill in Sept. Its just too easy to carry around a faded, crinkled, wallet size version of God's splendor! Let's open colorful Psalms again to see God as He is – directly from what He says!

God's Goodness is . . .

The greatest M_____ION of the changed (v. 1)

Everything God made was very good ([Genesis 1:31](#)). No one is good except God ([Mark 10:18](#)). Able to make all things work for good ([Romans 8:28](#)).
Those who seek the Lord lack no good thing ([Psalm 34:10](#)).

- He formed everything beautiful and loves all He has made.
- He never has mixed motives, unfair emotions, mean streaks
- He is FOR me in every way a good Father is
- He is not simply good. He is the only one who is good.

The greatest TU_____ND for the troubled (vv. 2-3)

Troubles can be windows to God's Goodness, not W_____s!

The greatest HOME for the _____er (vv 4-9)

God's goodness is like the \$21 billion that we have in. . .

There is more goodness in God's heart than badness in your _____!!
Ex 33:19 "I will cause all my Goodness to pass in front of you..."

God's SAVING goodness has been revealed in His Son – are you receiving it?
