Noah - Genesis 6:5f

1st Peter 3:20 (Water); 2nd Peter 2:5 (world);
Hebrews 11:7 - Noah was brought safely through by God's warning, instruction, & protection. Noah built the ark & proclaimed righteousness in the midst of a wicked world

Maturity - faithful in little things = faithful in BIGGER things - Luke 16:10-12

Waiting provides us with the time to grow into future blessings ahead of future difficulties.
