

## Project 4:12 Tallassee

### About Project 4:12

Project 4:12 is a 501(c)(3) nonprofit organization dedicated to providing vital community assistance by embracing the principle of “from the community, for the community.” Established in 2021, its mission centers on making a positive difference in local lives, teaching youth about the importance of service, and fostering teamwork and compassion among participants. The project specifically seeks to unite young people in service-oriented activities, encouraging them to embody Christian values through their actions.

### Annual Three-Day Service Project

Project 4:12 organizes a three-day service event that will take place July 9<sup>th</sup>, 10, & 11<sup>th</sup>, where volunteers undertake a variety of meaningful tasks for individuals in the community who are unable to complete them independently. These projects include essential work such as home repairs, yard maintenance, building ramps, repairing foundations, installing ceilings, and rebuilding porches. For safety reasons, especially given the involvement of young volunteers, tasks involving roofing or electrical work are excluded from the scope of service.

### Volunteer Involvement

The project brings together a wide range of volunteers, including high school students, athletes, church youth groups, and other community members. Volunteer teams are typically composed of youth participants guided by one or two adult supervisors to ensure safety and effective teamwork.

### Ways to Contribute
