Christmas / Matthew

1:18-25

Jesus Christ is fully God and fully man, and He has come to save His people from their sins.

He Will Save

Only Jesus provides salvation. His deliverance is certain and what He offers is what is most needed.

His People

Jesus' Incarnation reveals God's purpose to expand the scope of His people beyond one ethnicity. "His people" are literally "Messiah's people" whom He redeems.

From Their Sins

Fallen man needs deliverance from his greatest problem: sin. Sin is the source of all human misery.
