2. When you face uncertainty, do you tend to trust your own thoughts first, or seek God's thoughts first? Why do you think this is?
3. Have you ever looked back and realized that a closed door or a disappointment was actually God's direction? What did that teach you?

The GPS Prayer

Dear God,

I am facing a big decision, and I don’t know what to do. I start by acknowledging that you know more than I know, and you see further than I see, So, today I place my trust completely in you and in your wisdom and I ask you to guide me as I face this bib decision. May I listen to your voice above all others and obey you completely and without delay. Thank you for guiding me.

In Jesus Name I Pray, Amen
