"The Way of the Cross"

*a narrated tour, retracing the steps
of Jesus from the garden to the tomb*

**"WAY OF THE CROSS"
JOURNEY**

Way of the Cross Summary

Please note that the journey will take you down and back up our main driveway, zigzagging across it to the various paved and dirt parking lots. The path is meant to be rugged. However, if you cannot physically negotiate, please feel free to drive to each station.

1

On the Mount of Olives

Luke 22; Matthew 26

It is here that Jesus prayed so hard that His sweat became like drops of blood. His humanity desired to avoid, if possible, the coming separation from the Father.

2

The Sanhedrin Trial

John 18; Mark 14

False accusations were heaped upon Jesus first, before Annas, and then second, before the high priest, Caiaphas. With Peter standing nearby, those gathered hear Jesus answer the trumped up testimony with the great "I AM".

3

The Trial Before Pilate

John 18; Luke 23

It is during these early hours of the morning that Pilate and Jesus have a theological discussion regarding truth. Pilate did not realize that Jesus was not merely teaching the truth, but was in actuality...*The Truth*.

4

The Crown of Thorns

Luke 23; John 19

The soldiers add their own touch by weaving a mock crown of thorns and jamming it on to His head.

5

Carrying His Cross

Matthew 27; Mark 15

The load that Jesus carried was certainly more than a few extra pounds of wood beams. It was the spiritual burden that had to be overwhelming.

6

Speaking to the Women

Luke 23

A large part of the lamenting crowd was made up of women. Women He had cared for. Women He had healed. Women who were treated with respect, in a culture where that was not necessarily a value.

7

The Cross

Matthew 27; Mark 15; John 19

Hanging between two thieves and exposed for the entire world to see, He lays down His own life, so that we might gain a new life.

8

The Tomb Burial

Mark 15; John 19

To make sure He stayed put, Pilate placed a seal over the stone. That, and the Roman guards on duty, would certainly keep Him inside. Wouldn't it?
