

## BUT WHAT IS THAT AMONG SO MANY

John 6:3-11

Sunday, July 25, 2021

Rev. John Armstrong will share updates concerning our partnership with Venezuela and how our church has been faithfully giving of our treasure (financial resources) to meet needs that would otherwise go unmet. To the Bridge Builder's Sunday School class, who has led the way in giving to this needy part of the world, I thank you from the bottom of my heart. This leads me to contemplate on the power of giving...that each day, I choose to either spend my resources on what I want, or to give of my resources to that which can make a real difference. I choose the latter. Question - How do you spend your time, talent, and treasure? You have a choice. Why not invest in Kingdom building?

Following the Son,

Pastor Mark
