

Session 1

1. What was the most thought-provoking concept you heard in this session?
2. Read Ephesians 5:31-33. In what ways should a Christian marriage tell the truth about God (that is, reflect His image and love)?
3. On the video a distinction is made between “accepting” your spouse and “receiving” your spouse. Describe the difference and explain why this is important in your relationship as husband and wife.
4. Share with the group some of the ways that God is using the differences between you and your spouse:
 - a. To shape you as a person
 - b. To make your marriage stronger
5. List a few of the specific things that attracted you to your spouse.
