

## Session 3

1. What is the most thought-provoking concept you heard in this session?
2. Describe what is meant by the 50/50 marriage plan. Why is this approach destined to fail?
3. On the video, Mary Kassian said, “submission doesn’t violate my personality as a woman. As we are more conformed to the image of Jesus Christ, we discover that responsiveness as a women feels good and is actually more of who we are.”
  - a. Describe some of the influences or circumstances that can make submission difficult for a wife.
  - b. Describe some of the ways that submission benefits a marriage.
4. This session is summed up with the phrase: equal value, distinct roles. Describe what this means from a biblical perspective. ( The following scriptures may be helpful: Genesis 2:18-25; Proverbs 31:10-12; Ephesians 5:22-33; Colossians 3:18-19; 1 Timothy 5:8; 1 Peter 3:1-7.)
5. Go to pages 64 and 69 in your workbook. Read through the definitions of your role. What role do you find that comes easier? What role is difficult for you to give to your spouse?
