

August 9th – Eternal Truth and Holiness

“Your testimonies are very sure; holiness adorns Your house, O Lord, forever.”
(Psalm 93:5)

We live in an age where things are not meant to last forever. Think about it – doesn't matter if you're buying a microwave, a phone, a computer – none of them are really designed to last very long. And it used to be when something broke down, that you took it to a repairman to fix it. These days, we spend our money, enjoy our product for just a little while, then when it's all used up we just throw it away and buy a new one. It's been said many times, “They don't make 'em like they used to.”

In a throw-away world, it's hard to find very many things that last. The great thing about our God is that He is timeless – He literally exists outside the realm of space, time, and matter. Our God has no limitations – He has always been, and He will always be! Scripture also teaches us that God is immutable – that is, He never changes. He is the same yesterday, today, and forever – and rightfully so because why would you change perfection? He is the eternal God of heaven and earth.

Because God is eternally the same, that means He has always been eternally true and eternally holy. The psalmist said, “Your testimonies are very sure” – that's because they originate from the One who is the Truth! Every word of God is certain! Furthermore, “holiness adorns Your house, O Lord, forever.” To say God is holy is to say that He's never been stained with sin. He is the eternally perfect God. As followers of Jesus, it's so good to know we serve a God who is both true and holy forever!
