

November 5th – It's All True!

*"The entirety of Your Word is truth, and every one of your righteous judgments endures forever."
(Psalm 119:160)*

Unfortunately, many people do not believe that the Bible is true. In a LifeWay Research study released in 2016, only 58% of Americans said that God is the author of Scripture. 51% said the Bible can be interpreted however someone chooses and only 50% said that the Bible has the authority to tell us what to do. Less than half (47%) said the Bible is 100% accurate and 44% said that while the Bible is helpful, it is not literally true. Clearly, many Americans do not have a high view of Scripture.

We've seen what the general public thinks of the Bible, but what does God say about the Bible? God tells us very plainly that the Bible is His Word – "all Scripture is God-breathed" (2 Tim. 3:16). When we hear the words of the Bible, we are listening to the very words of God! Because the Bible is the Word of God, and because God is perfect, it is impossible for Scripture to contain errors. That's why the psalmist said "the entirety of Your word is truth."

The Bible is so true, that every judgment pronounced by God in the Bible either has or will come to pass. Just think of all the prophecies concerning Jesus – the Bible prophesied his birth, life, death, burial, and resurrection. Every one of those things came to pass EXACTLY how the Bible said they would. What would lead us to believe that all the remaining prophecies and judgments will go unfilled? Clearly, the Bible is the 100% accurate Word of God. We've just got to decide if we believe it.
