Discovering the Word with Pastor John
Servanthood 04

It's all in the hairdo...

Hey but the same goes with servanthood...
It's all in the way you serve...

Servanthood... A matter of *being*... and *doing*

Servanthood of Joseph

In His Father's house: Genesis 37

- His obedience gained him favor.

Potiphar's house: Genesis 39

- In relation with Potiphar his Servanthood and hard work resulted in being in charge of his household; (vr 2-6)
- In relation to serving God... His integrity was solid even under pressure (6-20)

His integrity was solid even under pressure (6-20). His mindset was that it didn't matter where he was... God is everywhere and Joseph was going to uphold the principles of his faith. He didn't ignore his core beliefs.

“Joseph does more than climb the corporate ladder; he scales it. He uses his leadership gifts to rise to the top. He blooms where he is planted.”

Pastor Ken Foreman—Dream Again

Joseph was far away from his home, from everything related to his faith, what he knew about God. But he kept his 'serving God' strong.

While In Prison Joseph had a Servant's Heart: (Genesis 39-41)

- Had a servant's heart serving the warden was then Placed in charge of other prisoners.
- Had a servant's heart using his 'gift' of interpreting dreams.

Joseph uses his gift to bless fellow prisoners. He doesn't hold back... he serves EVERYONE...ANYONE...ALL THOSE WHO GOD PUTS IN HIS PATH. That is servanthood.

In Pharaoh's palace :

- “ROSE” to the occasion to serve Pharaoh interpreting his dreams.
- Walked through the door of opportunity with servanthood;

He was ready... with a mindset... with a Servant's heart to serve... to be used by God... are you aware of the doors God is opening for you... to serve? Work? No...serve... Employed? No...serve...

When you serve... you are blessed and you bless others.

In Pharaoh's palace :

- His servanthood blessed Pharaoh & Egypt ;
- His servanthood was used to restore his family.

God WILL use SERVANTHOOD to bless you and bless others. This is the awareness and the understanding we should have.

Wise Servants Know the Value & Understand the Power of their Servanthood

- God will bless the work of our hands (Psalms 1:3 Whatever they do they prosper)
- God will accompany us in all we do (Genesis 39:2 The Lord was with Joseph so that he prospered). Its not insomuch that God is WATCHING YOU (although he is) but that he is WITH YOU to bless you.
- The wise servant understand that God will bless those who we work for. (Potiphar, the Warden and Pharaoh were blessed because of Joseph.)

God has promised to bless the work of our hands... as a result... all those around us will also be blessed... spouses...children...in laws...my company... my coworkers... my neighbors

Servanthood is not a ministry, servanthood is not a job, servanthood is not a role, servanthood is not what you do... **Servanthood is a part of everything you do...because servanthood is becoming a servant...it is someone you become...**
