

OUR MISSION STATEMENT

At Crosspoint, our vision is to **touch every corner of the world with the gospel beginning in our homes, throughout our community, and into our state, nation, and world.** We seek to live out Psalm 96:3 and see God's name made famous around the world!

Loving the Lost: Northern Pashtun of Canada
Globally, the Northern Pashtun (PAHSH-toon) people number over 21 million, with at least 30 major tribes and countless sub-tribes and clans. While they live primarily in southern Afghanistan and western Pakistan, in the last decade, they have increasingly immigrated to Canada. While looking for work and a better life, they still hold onto their culture, heritage, and Pashto language. They practice Sunni Islam and navigate significant challenges. Consistent work and visas can be hard to secure, and integrating Western culture with their own can be confusing and frustrating. Amid these struggles, their greatest need remains unmet - a transformative relationship with Jesus.
