""For the Son of Man has come to seek and to save the lost." - Luke 19:10

Loving the Lost: Turkmen of Iraq
Turkmen are originally from Central Asia. Those living in the Middle East hesitate to admit they are Turkmen because of a history of oppression from the majority cultures. They live in the Fertile Crescent of Iraq and are not related to the Turkmen of Turkmenistan. Some Turkmen tribes arrived at the time of Genghis Khan. Others arrived later during the Ottoman Empire. They're suspicious of outsiders and tend to follow radical Islam. In the entire Middle East, there are only a few known Turkmen believers. Praise God that Turkmen in Iraq have access to the New Testament in their language.
