CONSECRATION PRAYER FOCUS

- Continue the daily practice of praying The Lord's Prayer at Noon.
- Divine Guidance in our personal decision making.
- For our spiritual gifts and callings be made known to us and that we actively operate in them.
- That our unsaved loved ones receive Salvation through Jesus Christ.
- Deliverance from addictions and addictive behaviors.
- For continued blessings, protection, and provisions as our faith in the Lord is increased.

As we have entered 2023, we are yet facing many dangers as seen in previous years.

WE MUST CONTINUE TO TRUST GOD THROUGH IT ALL! I am asking you to hold on to Joshua 1:9 and III John 1:2. Please set aside time to draw near to the Lord and prepare to receive from Him during this time of consecration.
