Greetings Greater Harvest,

It is my sincere prayer that you are growing closer to the Lord in this unforeseen season.

Although we have crossed over into a new year, we still face challenges from previous years. We must continue to trust God! Hold to your faith and know that The Lord Jesus Christ is making intercession for us. I sense the Lord inviting us into a season of GREATER. I believe by faith that we will see the hand of the Lord at work in the lives of His people. I challenge you to look for the move, strength, and power of God. Take time to encourage yourself and feed your faith so the move of God is not hindered in your life.

- Fast on Tuesdays and Fridays
- Prayer the Lord's Prayer everyday Weekday at Noon

These actions and efforts will bring you strength, encouragement, and increase your faith.

I do encourage those of you who want to attend Sunday services in the Sanctuary to please do so. God has been ministering to us in a mighty way and there is something special about being in the atmosphere. We need you to simply call in so that we can follow our protocols to keep you safe. You can call (901) 794-5683 ext. 103 or ext. 118, Tuesday-Friday from 9am-4pm. Someone will be waiting to take your call.

I remind you that God is worthy of our praise, worship, adoration, and love.

He is our Help!

He is our Refuge!

He is our Strength!

He is our Protection!

He is our Provider!

He is our Healer!
