- Continue the daily practice of praying The Lord's Prayer at Noon.
- Repentance in the hearts of all people.
- Personal refreshing, revival, and restoration.
- To live out the ordained purposes and callings on our lives.
- The protection of the Lord.
- That we do not lose faith in God and His Word.
- Salvation for all people.

As we have entered 2022, we are yet facing many dangers as seen in previous years.

WE MUST CONTINUE TO TRUST GOD THROUGH IT ALL! I am asking you to hold on to Joshua 1:9, III John 1:2 and Romans 8:35-39

Please set aside time to draw near to the Lord and prepare to receive from Him during this time of consecration.
