

WEEK 2 - HOW DO YOU SEE YOU?

SCRIPTURE GUIDE

1 Corinthians 1:4-9

MAIN FOCUS

This will change how you see you... Jesus will sustain you. This is a promise. He will carry us through. It absolutely will happen. This is a promise from God Himself. Jesus will finish what He has started in you.

Our best efforts at righteousness are a complete failure. But once we are His, we cannot mess it up. Through Jesus' work on this earth, His death and resurrection, we will be guiltless on the day of the Lord. In the letter to the Ephesians, the believers are described as Holy and blameless before God.

Our salvation starts with God. It is through grace we are saved, it is not through any of our own abilities. Because of grace, Paul acknowledges Jesus as Lord. In this section of scripture, Paul calls Jesus "Lord" 3 times. Declaring Jesus as Lord is a comprehensive affirmation of His sovereignty, divinity, authority, and role in salvation. It involves submitting our lives to His Lordship and following His teachings and example.
