## Worldly Identity

We define our identity by:

1. What we do, or what we have
2. Who we feel we are
3. Who we want to be

## Psalm 8

1 O Lord, our Lord,

How majestic is Your name in all the earth,

Who have displayed Your splendor above the heavens!

3 When I consider Your heavens, the work of Your fingers,

The moon and the stars, which You have ordained;

## Size of the Heavens Above

- Light travels at 186k miles per second,
- It takes 8 minutes for light to travel 93 million miles from the sun to earth,
- A light year is 5.9 trillion miles,
- Our solar system is 1 light year in diameter
- Nearest star to the sun is about 4.2 light years away
- Our sun is only one of more than 200 billion stars in our galaxy (Milky Way),
- Our Milky Way is one of more than 100 billion galaxies

## Psalm 8

4 What is man that You take thought of him,

And the son of man that You care for him?

## John 3

16 "For God so loved the world, that He gave His only begotten Son,

that whoever believes in Him shall not perish, but have eternal life. 17  
For God did not send the Son into the world to judge the world, but  
that the world might be saved through Him.”

### **Psalm 8**

5 Yet You have made him a little lower than God,  
And You crown him with glory and majesty!

### **Psalm 8**

6 You make him to rule over the works of Your hands;  
You have put all things under his feet,
