What JBM is:

Janet Boynes Ministries (JBM) is a non-denominational outreach dedicated to evangelism by preaching truth and the Gospel of Jesus Christ.

Janet ministers, with love and grace, to individuals who would like to walk in freedom from the life of homosexuality. She equips pastors who want to be informed and are at a loss on how to minister to the gay community. She also assists parents and family members who just want to understand how they can help to their relatives without compromising their beliefs.

Your Giving:

Your monthly financial partnership makes it possible for us to share God's unconditional love and hope around the world through our weekly ministry, spiritual counseling, daily emails, events and online resources.

Without you, this would not be possible!

A life touched by the transforming power of Christ

I am no longer searching for my identity because everything I need is found in Him. And everything I am is because of Him.

ABOUT JANET BOYNES:

Janet lived a lesbian lifestyle for 14 years. Because of the redemptive work of Jesus, she now enjoys a life of freedom and inner peace. Janet has learned to walk in victory as she depends daily on God's grace and love.

Endorsement:

I so enjoyed interviewing Janet Boynes recently on the JONI Table Talk TV Program on Daystar Television. Janet shared her testimony of deliverance from homosexuality and how she was indeed "Called Out" and now walks in God's freedom. I whole heartedly recommend you read her book and hear her candid story.
