## City of the book

Joshua 15:16 (NKJV)

**16 And Caleb said, “He who attacks Kirjath Sepher and takes it, to him I will give Achsah my daughter as wife.”**

The name Kirjath Sepher means "city of the book". This is a metaphor of education or academia. Caleb had encouraged someone through incentive to take the city of the book. Young people must be educated and take the halls of academia. We must encourage young people to study and be equipped to handle views of this world.

### Pray:

1. For young people to be enthusiastic about their education
2. That we would raise young people to take the halls of education
3. For educated young people to debate the views of this world

---

## Wife

Joshua 15:16 (NKJV)

**16 And Caleb said, “He who attacks Kirjath Sepher and takes it, to him I will give Achsah my daughter as wife.”**

Caleb had promised to give his daughter as a wife to the one who takes the city of the book. Many young people are being discouraged from entering into marriage. Some find it easy to cohabit rather than commit to a covenant. The posterity and legacy of family is dependent on young people engaging in the biblical principle of marriage.

### Pray:

1. That this generation would see the importance of marriage
2. For the principle of family to shape young peoples views
3. That young people would understand posterity and legacy

---

## Lion of God

Joshua 15:17 (NKJV)

**17 So Othniel the son of Kenaz, the brother of Caleb, took it; and he gave him Achsah his daughter as wife.**

The name Othniel means "lion of God". This is a mentality that must grip this generation. They must view themselves as the young lions that have Christ the Lion of Judah living inside of them. With such a mentality they become fearless, bold and courageous. We must have a generation that overcomes the fears of this world.

### Pray:

1. For young people to know Jesus the Lion of Judah
2. That young lions would rise in our churches and communities
3. For this generation to overcome fear and become bold

## Land

Joshua 15:18 (NKJV)

**18 Now it was so, when she came to him, that she persuaded him to ask her father for a field. So she dismounted from her donkey, and Caleb said to her, “What do you wish?”**

When Othniel had taken the city of the book, his wife persuaded him to ask her father for land. Property gives people dignity. Young people must not just desire material things that depreciate but must own land that will appreciate over time.

### Pray:

1. For young people to be educated and to own property
2. That this generation would see owning land as a statement of dominion
3. That property would bring dignity to young families

---

## Blessing

Joshua 15:19 (NKJV)

**19 She answered, “Give me a blessing; since you have given me land in the South**

The young wife of Othniel asked her father Caleb for a blessing. Within Hebrew culture everyone understood the importance of receiving the blessing of their parents. Jacob wanted it so badly that he stole it from Esau his elder brother. The blessing of parents would bring prosperity to the next generation and even the generation that follows. We must see blessing flow from one generation to the next.

### Pray:

1. That young people would value the blessing of their parents
2. For the blessing of parents to be trans-generational
3. That young people would honor their parents

## Springs of water

Joshua 15:19 (NKJV)

**19 She answered, “Give me a blessing; ...springs of water.” So he gave her the upper springs and the lower springs.**

The blessing that Achsah desired was springs of water. This is a symbol of the fountain of living waters which is the Holy Spirit. We must have a generation that desires the manifest presence of God over their lives. It is the leading of the Holy Spirit that must govern the lives of our young people

### Pray:

1. That this generation would desire more of the Holy Spirit
2. For the Spirit of God to bring divine encounters to young lives
3. That a fresh outpouring of the Spirit will fill young people
