Tongues and Interpretation

Speaker: Patrick Krueger, Interpreter: Pastor Dale Campbell

“For I say to you, this is a special season and a time that I have ordained. Do not take it for granted, for I have called you into this season, saith the Lord. A season of great preparation, a season of great worship, a season of great evangelism—and, oh yes, a season of great growth.

For I have things planned for My people. And as you are approaching the day of My coming, saith the Lord, I am preparing My Body. Oh, everybody will not enter in. But, oh, there will be a remnant who will enter in, and they will worship like no other time before. And they will grow with a spiritual anticipation of what I am going to do. And there will be a hunger that will not just be restored in My Body, but there will be a hunger that will be expedited and increased to a level that we have not seen. And that hunger is going to take you forward into the supernatural realm—yes, the supernatural realm, saith the Lord.

Do I need to remind you that My Church was birthed in the supernatural? That when My Son was on earth, His ministry was that of supernatural things. And it would be strange to think that My Church would leave this world not being a supernatural Church. I am restoring the gifts in My Body. I’m restoring prophetic utterances in My Body. Oh, yes, and I am restoring healings and miracles in My Body—and not just things that one might question. But get ready, get ready, saith the Lord! For I will do undeniable, unquestionable, confirmed miracles in your presence, saith the Lord, if you will stay in the flow! Stay in the flow, be hungry, bring your supply, stay in participation, and walk in faith, saith the Lord. Watch and see, it is happening. Be part of it, don't be a spectator, for I desire to do a special work among you.”
