

I. Introduction/Review

DURING THIS SESSION We will give our attention to the things that God has chosen to emphasize during the 2022 Healing School.

We should always give special attention to what God is emphasizing. If it is important to Him, it should be important to us.

What has God chosen to emphasize during this year's healing school?

A. Session 1 – Building a Strong Foundation for Healing

Why we believe it is God's will to heal!

B. Session 2 – Creating an Atmosphere for Healing

If the inward atmosphere of your life is turmoil, healing doesn't flow. We must have an inward atmosphere of faith and peace to experience divine health.

C. Session 3 – Staying in the Right Place for Healing

*Healing flows where it is believed for and taught.
Healing doesn't flow in places where doubt and unbelief are the predominant atmosphere.*

D. Session 4 – Identifying with the Healing Jesus

Many identify with Jesus as savior without ever identifying with Him as their healer.

E. Session 5 – Healing Dominion

*Believers have been given dominion/authority over sickness and disease.
We must use our authority when dealing with sickness.*

F. Session 6 – God's Foundation – Mike Hensley

*Believers must have God's word as the foundation of faith for healing.
His promises are unchanging.*

II. First Response to the Doctor’s Report

A. What do you do when you receive the initial diagnosis of serious illness?

1. What are you going to do?
2. There are many responses that accompany bad reports.

B. The necessary response for those who will use their faith for healing.

1. Contact your spiritual leadership.

- a. **James 5:14-15 (NKJV)** – ¹⁴*Is anyone among you sick? Let him call for the elders of the church, and let them pray over him, anointing him with oil in the name of the Lord. ¹⁵And the prayer of faith will save the sick, and the Lord will raise him up. And if he has committed sins, he will be forgiven*
- b. **You should have confidence in your spiritual leadership for prayer and counsel regarding your illness.**

2. Begin to feed your faith for healing.

Every believer should be feeding their faith. However when the diagnosis of serious illness occurs, we need to add extra time and attention to our healing faith development.

- a. **“The Healing Faith Journey” – Chapter 10**
Immerse yourself totally in the word of God.
- b. **Immerse: soak – drench – saturate – cover**
To plunge into something that surrounds or covers

3. Write down specific scriptures to form your foundation of faith.

What scriptures are you standing on?

- a. If you are unable to identify which scriptures you are standing on for your healing, you are not developing in the Bible kind of faith.
- b. Do you know where to locate your scriptures in the Bible?
Being able to quote from memory is good, but it may not be sufficient.

- c. Put your eye on the word of God.

James 1:25 (NKJV) – *But he who looks into the perfect law of liberty and continues in it, and is not a forgetful hearer but a doer of the work, this one will be blessed in what he does*

Other Translations

Aramaic Bible in Plain English: *But everyone who gazes into The Perfect Law of Liberty and continues in it, he is not a hearer who heard what is forgotten, but is a doer of the works, and this one shall be blessed in his work*

NET: *He who Peers into....*

CEV: *You must never stop looking...*

Many Versions: *He who looks intently....*

- d. Jesus’ example

Luke 4:16-17 (NKJV) – *So He came to Nazareth, where He had been brought up. And as His custom was, He went into the synagogue on the Sabbath day, and stood up to read. And He was handed the book of the prophet Isaiah. And when He had opened the book, **He found the place where it was written***

- e. We need to find the place where healing is written.

Find the places in the Old Covenant where healing and long life were promised.

Find the places in the ministry of Jesus where healings occurred.

Find the places in the book of Acts where healing was part of the New Testament Church.

Find the scripture in the Epistles where healing is mentioned.

NOTE: *If you will take time to find where healing is written, your foundation for healing faith will not lack.*

See John 1:22-23 – John the Baptist found himself in the Word.
