I. Text Scriptures

Deuteronomy 11:8-21 (NKJV) – ⁸“Therefore you shall keep every commandment which I command you today, that you may **be strong, and go in and possess the land** which you cross over to possess, ⁹and that you may **prolong your days in the land which the LORD** swore to give your fathers, to them and their descendants, ‘**a land flowing** with milk and honey.’ ¹⁰For the land which you go to possess is not like the land of Egypt from which you have come, where you sowed your seed and watered it by foot, as a vegetable garden; ¹¹but the land which you cross over to possess is a land of hills and valleys, which **drinks water from the rain of heaven**, ¹²**a land for which the LORD your God cares; the eyes of the LORD your God are always on it, from the beginning of the year to the very end of the year.**

SKIP to vs 18 – ¹⁸“Therefore you shall lay up these words of mine in your heart and in your soul, and bind them as a sign on your hand, and they shall be as frontlets between your eyes. ¹⁹You shall teach them to your children, speaking of them when you sit in your house, when you walk by the way, when you lie down, and when you rise up. ²⁰And you shall write them on the doorposts of your house and on your gates, ²¹that your days and the days of your children may be multiplied in the land of which the LORD swore to your fathers to give them, **like the days of the heavens above the earth.**

III. Atmospheric Changes

A. What is atmosphere?

1. **Simple scientific definition: a mixture of gasses that surround the earth which makes life possible by providing us air to breath, it protects us from the dangerous rays of the sun, as well as many other functions necessary for life.**

2. **A surrounding influence or environment.**
 - a. Every home has an atmosphere.
 - b. Every town has an atmosphere.
 - c. **Other examples:** *workplace, classroom, businesses, churches, etc.*
There is a pervading mood or tone that exists in every place.
 - d. **Surrounding influences affect our lives.**
 - **Thinking, emotions, actions, health, finances, etc.**
 - **Just 10 miles represent a life expectancy difference of almost 33 years,** a generation lost due to premature deaths. Overall, any two census tracts in the U.S. can differ in expected life expectancy by 41.2 years, a staggering range. (*Bluezones.com*)
 - **Some areas have a greater suicide rate than others.**
 - **Lower life expectancies.**
 - **Depressing Environments.** – a situation or environment that appears sad or heavy.
 - Lacks joy – lacks hope – lacks a positive outlook.
 - Results = weakness, hopelessness, despair – survival mode vs visionary mode.

B. Atmosphere is all around us. *We are influenced by it.*

1. Every room, workplace, home, school.

3. **The *type and shadow* of the promised land.**
 - a. **Deuteronomy 11:10-11 (NKJV)** – ¹⁰*For the land which you go to possess is not like the land of Egypt from which you have come, where you sowed your seed and watered it by foot, as a vegetable garden; ¹¹but the land which you cross over to possess is a land of hills and valleys, which **drinks water from the rain of heaven***
 - b. **It is a land impacted by the flow of heaven.**
It will be dependent upon the rain of heaven.
 - Water source – *Rain from heaven will impact everything, crops, agriculture, fruit trees, vineyards, and livestock. The heaven flow will make distinction.*
 - **You will have RAIN – rain is the sign of blessing!**
Leviticus 26:4 (HCSB) – *I will give you rain at the right time, and the land will yield its produce, and the trees of the field will bear their fruit.*
Job 5:10 (NKJV) – He gives rain on the earth, and sends waters on the fields
Deuteronomy 11:14 (NKJV) – *He will give the rain for your land in its season, the early rain and the later rain, that you may gather in your grain and your wine and your oil.*
 - **Rain is connected to the harvest!**

- c. **Rain is affected by the atmosphere.**
- Rain occurs when air rises into the upper atmosphere and cools. The cool temperatures cause water vapor to condense into water droplets, which fall from the clouds as rain.
 - The atmosphere is the superhighway in the sky that moves water everywhere over the earth.
 - Water at the earth's surface evaporates into water vapor, then rises into the sky to become part of a cloud which will float off with the winds, eventually releasing water back to Earth as precipitation.
- d. **The atmosphere is affected by what is released upward from the earth.**
The spiritual atmosphere is prepared for the release of RAIN by whatever is being released from the surface.
- e. **It is raining at Grace Fellowship! The atmosphere is being prepared for the release of rain.**
- By the Word of God – cloud seeding
 - By the Worship
 - By the release of faith
 - By obedience
 - It's a corporate thing. *Everybody bring your supply!*
 - It's a unity thing – *united in what we are sending up. No complaining, gossiping, slandering...just faith, love and worship.*
 - Healing rain, deliverance rain, prosperity rain, salvation rain
 - Welcome the rain – and never shut it off.

C. The "Heaven on Earth" flow is not one filled with gloom and despair.

- 1. There is no depression/anxiety in heaven. *Heaven doesn't have this flow.***
- 2. There is no hopelessness in heaven.**
- 3. There is no sadness in heaven.**

Synonyms – desperation, sadness, hopelessness, sorrow, despondency, misery, gloom, self-pity, dreariness, joylessness, defeatism, melancholy

Acts 5:12-16 (NKJV) – ¹² *And through the hands of the apostles many signs and wonders were done among the people. And they were all with one accord in Solomon's Porch. ¹³Yet none of the rest dared join them, but the people esteemed them highly. ¹⁴And believers were increasingly*
