<Pastor Debbie speaks, then interprets.> *"No, it's not in that... It's in that."*

<Pastor Debbie speaks. Pastor Jay interprets.> *"For the Lord is on your side. He's with you. [This is talking about this congregation.] He's with you. He's for you, and He is on your side. He's victorious over all your enemies. Your victory is not in this and that. Your victory is in the One who is all sufficient."*

<Pastor Debbie sings in the Spirit, then interprets.> *"I see, I see, I see goodness here in this city. And I see the rain of the Spirit pouring out as you hear the Word. I see the fruit in your mouth as you say: 'God is faithful. God is good. God is El Shaddai! Oh, He's more than enough, He's on my side.' So, go your way saying: 'He's faithful.' Go your way saying: 'He's good.' Go your way saying: 'He's El Shaddai! And He's on my side! And I can do all things through Christ who strengthens me.' El Shaddai..."*

<Pastor Debbie speaks, then interprets.> *"And there's more, and there's more, and there's more to come as you press in to the Son. And there's more, and there's more, and there's more to come. You can taste it. You can see it. You know that it's good. Oh, but there is so much more. We're on the edge. We're on the edge of so much more that He wants to pour out in this place."*

<Pastor Debbie speaks, then interprets.> *"It's that same anointing that... It's that same anointing."*

<Pastor Debbie speaks. Pastor Jay interprets.> *"Much more, much more ground to possess. Not just in the realm of the natural, but in the realm of the flow of the Spirit. Much more in the realm of the anointing and the power of God in manifestation. Yes, in the area of the seen, but in the area of the flows of the Spirit. And many miracles, miracles and healings. The dinner bell, so to speak, of this city. Bringing the city to the feet of Jesus, the One who died for them. Yea, much more. So, possess. Possess in prayer. Possess in faith. Possess in flowing with the Spirit as the grace of God moves in the congregation and moves through the leadership of this congregation. So, take more ground, take more ground, it's there for you. Possess it all."*
