<b>Question</b>	<b>Social Justice</b>	<b>Biblical Justice</b>
<b>What is Real?</b>	The human mind defines reality.	The God of Genesis 1 defines reality.
<b>Who Are We?</b>	Creatures whose identity is socially determined. Man is a product of his/her "race", sex, and gender identity.	We are creations and image bearers of a good, holy, and loving God with inherent worth and intrinsic value.
<b>What is the Problem?</b>	Oppression: White, heteronormative males have established power structures to subjugate women, POC, & sexual minorities.	Rebellion: All have sinned; there is not one that is good. Results in broken relationships between God & man, man & man, man & creation.
<b>What is the Solution?</b>	Revolution: Oppressed victims & their allies must unmask, deconstruct & overthrow structures, systems and institutions.	Gospel: Jesus Christ bore man's punishment for rebellion. His death & resurrection is the path to reconciliation of all our broken relationships.
<b>How Can We Be Saved?</b>	Victims are morally innocent & do not require salvation. Oppressors can never be fully pardoned. Partial salvation is found by confessing one's complicity in the oppression & joining the revolution.	If you confess with your mouth that Jesus is Lord and believe in your heart that God raised Him from the dead, you will be saved. (Romans 10:9,15)

<b>Question</b>	<b>Social Justice</b>	<b>Biblical Justice</b>
<b>What is Our Moral Duty?</b>	To stand in solidarity with, protect, and defend oppressed women, POC, sexual minorities, etc.	To obey the two greatest commandments & make disciples of all nations.
<b>How To Know Truth?</b>	Objective truth, reason, logic, evidence & argument are tools that the oppressors use to keep power. One can gain knowledge of "truth" through victims; their lived experience is truer than that of the oppressors.	Truth is known through divine revelation — Bible (2 Timothy 3:16-17) & God's revelation in creation (Romans 1:20). Use of God-given capacity for reason, logic, discussion to gain evidence in pursuit.
<b>Who Has Final Authority?</b>	Victims are the final authority. The claims of victims based on their subjective, lived experience is to be believed.	God and His revealed Word in Scripture is the final authority.
<b>Is There A Future, Final Judgment?</b>	No, there is no god who will return to punish the wicked and reward the upright. Injustice must be rooted out now by those who have the power to do so.	Jesus will return & accomplish perfect justice. He will preserve all that is good & rid the world of all evil. Until then He extends mercy & forgiveness to sinful people.
