# Implications

Then ask God to help you do it for His glory.
- 3) Realize that Christ is sufficient to address any and every problem that exists in the world that He created.

# Implications

Only one will apply to you.

Based on what we just saw about Christ:

- If you're a Christian, why have you placed your faith in Christ?
- If you're not a Christian, why have you decided not to place your faith in Christ?
