### **Goal: What we're after this week...and every week**

The goal of our discussion each week is to help us believe and apply the truths of God's Word in a gospel-centered way. This week we are discussing what it looks like to respond to God's calling and prompting of the Holy Spirit.

### **Begin with Prayer (5-10 minutes)**

We want to start with prayer. How are you coming into the gathering? Where is your heart in relation to Christ and your community? Let's pray that the Spirit of God would empower us to be fully present with each other and transparent before God's Word. Let's begin each gathering with 5-10 minutes of worshipful prayer.

### **Introduction Question (5-10 minutes)**

- Have you felt the Holy Spirit calling or prompting you to do something? What was it? How did you respond?

### **Scripture Reading and Review (10-15 minutes)**

- What was Moses' response to God after telling him His plan?
- What does God reveal about himself? How does it shape your view of God?
- What promises does God make?

### **Gospel Application (15-20 minutes)**

- What is your tendency when you feel God is calling or prompting you to do something? What does this reveal about your heart?
- How does the Gospel change the way we respond to God's calling on our life?
