

## Gospel Community Questions Week of April 21-27 | Exodus 13

### **Announcements (1 minute)**

- Women's Summer Book Club – Sign up on Sunday at the welcome area – Several schedules available – “Loving God With All Your Mind” by Elizabeth George

### **Goal: What we're after this week...and every week**

The goal of our discussion each week is to help us believe and apply the truths of God's Word in a gospel-centered way. This week we will discuss the importance of remembering what God has done and how this should shape our present and future.

### **Begin with Prayer (5-10 minutes)**

We want to start with prayer. How are you coming into the gathering? Where is your heart in relation to Christ and your community? Let's pray that the Spirit of God would empower us to be fully present with each other and transparent before God's Word. Let's begin each gathering with 5-10 minutes of worshipful prayer.

### **Introduction Question (5-10 minutes)**

- What is the purpose of remembering an important event? How do you use history to tell you what to expect in the present and future?

### **Scripture Reading and Review (10-15 minutes)**

- Why do you think God wants his people to remember what he did in Egypt?
- How does God show his faithfulness?

### **Gospel Application (15-20 minutes)**

- Are you good at remembering what God has done for you? If not, what things are distracting you from regularly remembering the faithfulness of God? If so, share with the group what this looks like in your life and how this has helped you recently.
- What has God given us to help us remember?
- How does God use remembering to shape our faith?
- How can remembering what God has done give you strength, confidence, and security in times of trials and uncertainty?
