Goal: What we're after this week...and every week

The goal of our discussion each week is to help us believe and apply the truths of God's Word in a gospel-centered way. This week we are going to continue discussing our responses to God's calling/prompting on our life and what that reveals about our heart.

Begin with Prayer (5-10 minutes)

We want to start with prayer. How are you coming into the gathering? Where is your heart in relation to Christ and your community? Let's pray that the Spirit of God would empower us to be fully present with each other and transparent before God's Word. Let's begin each gathering with 5-10 minutes of worshipful prayer.

Introduction Question (5-10 minutes)

- How does fear, doubt, and insecurity impacted your life?

Scripture Reading and Review (10-15 minutes)

- How can you relate to Moses' responses to God?
- How does God respond to Moses? What does this reveal about God?
- In light of Moses' response to God, how does it highlight Jesus as a better deliverer?

Gospel Application (15-20 minutes)

- In what ways are you self-absorbed and self-centered? How has this impacted your response to God's calling?
- What does our self-centeredness reveal about our hearts?
- What attributes and promises of God should lead us to a dependent confidence to step out in faith to act on God's call in our lives?
