GROUP ACTIVITY

This activity can be used in a small group at church or even with your kids at home!

Flipping for Jesus

Set up: For each small group, fill a plastic water bottle 1/2 to 2/3 full of water and replace the cap. Print the “Flipping for Jesus” question cards on 8½ x 11 paper and cut apart.

Say: When God raised Jesus from the dead, it’s like He raised us from the dead too. When you follow Jesus, it’s like you begin to live a new life. We’re going to do an activity right now that will help us think about what a new life with Jesus is like.

Directions: Have your kids sit in a circle. Spread the 8 “New Life” cards face down in the middle of the group. Choose a kid to go first and give them a partially filled water bottle. Have them hold the bottle from its neck/cap area. With a little flick, have them flip the bottle into the middle of the group towards the cards. The goal is to give the bottle enough arc so that it flips over one time and lands upright on its bottom. Give each kid 5 attempts. When someone lands the bottle on its bottom, determine which of the cards the bottle is on or nearest to. Pick that card up and read the question. After discussing, pass the bottle to the next kid and repeat. Continue until all of the kids have had a turn or all of the questions have been asked.
