This is a time where we celebrate what is central to our faith and lives- Jesus' Life, Death, Burial, & Resurrection.

-Worship in the Word-

We believe the Bible is God's message to us in all generations. It is His heart to ours; a word that is living, powerful, and able to provide all that we need to give Him our Yes!

-Worship in Response-

This is a time to respond to the Spirit in worship both in song and prayer. If you would like prayer, you are welcome to come forward where either the Pastor or one of our Elders (leadership team) will meet and pray with you.
