Sermon Title: *“What is Going On?”*

Series: *Learn, Live, Lead*

Speaker: Pastor Damian Mericka

Text: Acts 22:24-29

Have you ever found yourself caught in the middle of a disagreement or conflict? Maybe something at work, or with your family- maybe even a church? It can be challenging to be a part of the solution when you don't fully understand what the problem is.

In our text today, Roman Authorities are swept into this riotous scene between Paul and the Temple Leadership, with the expectation to solve a problem they have no clue about. Confusion touches everyone as God's Kingdom continues to come into the world, and people must face and answer the question- *just who is Jesus Christ?* *As we trust His **leading into** the conversation, we must trust His **work through** it as well.*

- ***Rome Steps In** (v.24)*
- ***Dual Citizenship** (v.25-29)*

***Pastor's Sermon Notes & Small Group GOING DEEPER questions are available on the Cornerstone Chapel APP**

*What did you **learn** from Jesus today?*

*What will **living** like Jesus look like this week?*

*Who will you **lead** to Jesus this week?*
