Message Outline

Sermon Title: ***“The Value of a Good Conscience”***

Series: *Learn, Live, Lead*

Speaker: Pastor Damian Mericka

Text: Acts 22:30-23:5

Peace is difficult to come by with others when we are not at peace withing ourselves. The value of a good conscience cannot be measured in a world that invites us to sell out to the next cultural craze. *But can we trust our own conscience?* Does an internal peace of mind have the final say in what is right or wrong? In our text today, Roman Authorities moderate a conversation between Paul and the Temple Leadership, with the desire to understand what is at the heart of the issue. *How do we stand faithful in Christ when religious leaders are living and leading hypocritically?* Confusion touches everyone as God's Kingdom continues to come into the world, and people must face and answer the question- *just who is Jesus Christ?* *As we trust His **leading into** the conversation, we must trust His **work through** it as well.*

- ***A Government Moderation (v.30)***
- ***A Good Conscience (v.1)***
- ***A Whitewashed Wall (v.2-5)***
