Message Outline

Sermon Title: **“Throwing Dust”**

Series: *Learn, Live, Lead*

Speaker: Pastor Damian Mericka

Text: Acts 22:21-23

When things do not work out as we hope or plan, that can be difficult to handle. When it comes to how others respond to our words or actions regarding Jesus, the negative can be very hard to receive. In our text, Paul's witness, *which is an appeal to his audience to see Jesus as the Messiah*, is rejected with outrage-**even cries for his death!** Throwing dust is an act that has rich, Biblical meaning. It can be a means to illustrate turning **toward** God or turning **away from Him**. The choice has everything to do with a person's heart toward God. God uses us to bring this conversation between the two to pass. *As we trust His **leading into the conversation**, we must trust His **work through** it as well.*

- ***Throwing Dust (v.22-23)***

***Pastor's Sermon Notes & Small Group GOING DEEPER questions are available on the Cornerstone Chapel APP**

*What did you **learn** from Jesus today?*

*What will **living** like Jesus look like this week?*

*Who will you **lead** to Jesus this week?*
