

# When God Doesn't Part The Waters!

Exodus 14:21-31

Israel crossed the Red Sea on dry land and God directed Moses to stretch out his hand again so that the waters would come back together. When Moses did what God had commanded, the waters came together and the entire Egyptian army drowned. This miracle, was one of many the Children of God experienced while escaping Egypt and sojourning in the wilderness. We have faith in God's Word and the miracles mentioned all throughout Scripture. However, in the midst of enduring cancer, life ending diseases, and accidents which threaten to take the life of a loved one, we are left with the question, **what do you do when God doesn't part the waters?**

In 1873, John Gossip was born in Glasgow, Scotland. Twenty-six years later, he became a preacher at St. Columbia's Church in Liverpool. Gossip was a very ...
