

# WHY WE PRAY

BIBLE TEACHER DUFFY ROBBINS  
SUNDAY, JULY 26

1. What does your prayer life look like right now?
2. What obstacles are preventing you from having a fuller prayer life?
3. How did Duffy's message help you understand the importance of prayer?
4. Prayer is not about having the right words, it's about having the right heart. Duffy says that "God is listening to our heart." What does that mean, and how can remembering that truth help your prayer life?
5. Having a plan is one of the most practical ways we can grow in our prayer life. What is your plan?  
  
(Think of and write down your where, when, what, and how. Consider the ACTS prayer model and the other prayer resources at [faithbridge.org/closer](http://faithbridge.org/closer).)
