

# THE MIRACLE OF MARRIAGE

Founding Pastor Ken Werlein

Sunday, April 18

1. **Intro:** Who is a long-married couple whose marriage is an inspiration to you? What is it that makes their marriage so special?
2. Having thriving relationships requires humility. Why do you think humility is so essential?
3. Having thriving relationships also requires perseverance. How do we cultivate such perseverance?
4. What are some of the “little things” we must be constantly committed to if we want thriving relationships?
5. What is one way you feel inspired or challenged to be a better spouse (or friend or boyfriend/girlfriend or another relationship in your life if you are unmarried) as a result of this sermon?

## QUESTIONS FOR KIDS

1. At the wedding, when the people ran out of wine, who did Mary turn to for help? Who should we turn to when we have a problem? (Especially if we are “running out” of love, joy, peace, patience, goodness, kindness, faithfulness, gentleness, and self-control)
2. Mary tells the servants, “Do whatever he tells you.” in John 2:5 Can you think of something that Jesus tells us to do?
3. **Read 1 John 4:19.** God loves you! He will help you love other people. Ask God to help you show His love in all of your relationships.
