

# ESSENTIAL CHRISTIAN RELATIONSHIPS

Founding Pastor Ken Werlein  
Sunday, January 17

1. **Intro:** Do you have any siblings? In what sort of situations did you find it difficult to get along growing up?
2. **Read Ephesians 4:1.** How would you describe in your own words the link between belief and behavior?
3. **Read Ephesians 1-3 in one sitting.** How does Paul describe Christians' identity in Christ?
4. **Read Ephesians 4:2-3.** Think through relationships, particularly with other Christians, in which you are struggling to get along. What evidence of pride, harshness, and impatience do you see in your heart?
5. **Read Ephesians 4:4-6.** How could these gospel truths help you be more humble, patient, and gentle?
6. What is a practical step you can take to "re-gospel" yourself this week?

## QUESTIONS FOR KIDS

1. Read Ephesians 4:2-3. What do these verses tell us to do? Why?
2. What do you think people in the world think about Christians? What does Jesus want people in the world to think about His followers?
3. Even if we know that Jesus is our Savior and Lord, Pastor Ken is reminding us that we should "re-gospel". We should remember every day that God has saved us through Jesus. Do you think remembering that will help you get rid of impatience, harshness, and pride? Why?
