

PART 5: THE ART OF NEIGHBORING

BIBLE TEACHER DAN SLAGLE

1. What holds you back from sharing the gospel with others, such as your neighbors?
2. How can the truth that the starting place is simply to show love help you overcome those challenges?
3. How well do you know your neighbors? How many of their names do you know? What do you know about them that required a conversation to get to know? How many of them are you 100% confident have a vibrant and active relationship with Jesus (not just that they say they are Christian or go to church)?
4. How did Pastor Dan's or Sully and Jill's testimonies inspire, encourage, or challenge you?
5. What is one way you can show love to your neighbors this week? See "The Art of Neighboring" guide for ideas: faithbridge.org/neighbor.
