

## GOSPEL OF JOHN – PART 6 // SERIES SUMMARY

While John 1-12 covers the first three years in the life and ministry of Jesus, John 13-17 invites us into the intimate details of a single meal that Jesus had with his disciples less than 24 hours before going to the cross. In this Last Supper, Jesus washes the disciples' feet, foretells his death, and gives these men invaluable instruction for the events that will follow in his crucifixion. However, Jesus is doing so much more than giving them a basic instruction manual for the hard times to come. He's sharing the truth of his gospel with His followers with great love, empathy and compassion. If you've ever wanted to have a meal with Jesus, this is it, and if you've ever longed to have the King of Creation speak into your life in a way that is personal, powerful, and penetrating, you've come to the right place. Join us over the next 12 weeks as we slow down to sit with Jesus, hear from Jesus, and invite Jesus to minister to our hearts as gospel people that are living on this side of the resurrection!
